

Disney Frozen 2 Coding Kit

- Touch Required

Grade Level: K
Students Per Device: 1.0

Computer Science Standard(s):

Washington State CS Standards: Algorithms and Programming

Product Summary

The Kano Disney Frozen Coding Kit is a creative and interactive coding experience for children. It allows kids to build and code their own Disney Frozen-themed adventures using block-based coding. With the help of the included sensors and accessories, they can bring characters to life, create music, and explore the magical world of Frozen while learning important coding concepts. The kit offers a visually appealing and accessible way for young learners to engage with coding and storytelling in a fun and imaginative manner.

Price	
Single Unit	\$12.89
Classroom Set (24 students)	\$nan
